4/ The Municipal Branch has already corresponded with the postal authorities in the matter (vide Municipal Collection Branch below) It is not known why ~~they~~ it wants the question to be pursued the S.R Branch was ~~of the opinion~~ that Municipal Branch could have itself issued the draft letter now proposed instead of transferring the file to the SR Branch also for orders whether the file may be sent back to that Branch as the draft letter proposed, which seems to be suitable, may be issue from that Branch

5/ From the nature of the case it looks best that the Mul Sec replies the Communication and sends a copy to this Branch for info
